The Alaska Department of Transportation and Public Facilities (DOT&PF) invites you to an open house for the Seward Highway & Tudor Road Interchange Reconstruction project.

With more than 80,000 vehicles per day, this interchange connects Anchorage's primary north/south and east/west transportation corridors, providing essential access and mobility for the Anchorage Bowl. Upgrades will improve safety, reduce congestion, and support mobility for all users.

WE WANT TO HEAR FROM YOU!

Join us to learn about the project area, goals, and objectives, meet the team, ask questions, and share your feedback.

Comments can be submitted during the open house or emailed to TudorInterchange@dowl.com.

Visit www.TudorInterchange.com to join the email list, make a comment, or learn more about the project. Meeting materials will be available on the project website beginning December 10.
